half so much worth doing
as simply messing about in boats. In or out of 'em, it
doesn't matter. Nothing seems really to matter, that's
the charm of it."**

Pig Roast Sunday

Following the Annual Meeting on 8/31, there will be a Pig Roast. The cocktail hour will start at 5:30 and dinner will follow. In addition to the pig, there will be hot dogs with sauerkraut, salads, rolls, and dessert. Adults are \$15, Children under 10 are \$5, and children under 5 are free. RSVP to Cheryl Tierson at catierson@yahoo.com or (585) 739-2871.

Annual Meeting Sunday

The annual meeting will take place on Sunday, August 31 at 3:30. Boating members are asked to vote on a proposed by-law change and for 3 board members. If you are not able to attend the meeting, please remember to send in your proxy vote, which was mailed to you earlier this week. Proxy votes can be mailed to the club, or given to a Board member, or dropped off at the bar.

The by-law proposal reflects a major change in the way KYC dues are charged by eliminating the non-boating category. It also adds livery fees for both winter and summer boat storage on the club grounds. So consider your decision carefully and cast your vote.

Missing: Laser Radial Rig

Submitted by: Debbie Koop

A radial rig is the shorter lower mast section for a Laser. For years I've loaned it to the Sailing School but this year it came up missing. My guess is that it is somewhere on the Club grounds or was inadvertently stowed with someone else's gear. I'd really appreciate it if people could help me find it by checking to see if it's in or around your boats or somewhere else on the grounds. It used to have silver duct tape around the base with my name on it. If you find it, please leave it standing against the Moldee bathroom wall in the Sunfish/Laser sail/rig area. Thank you all for your help.
